WE ARE SO EXCITED TO HAVE YOU HERE.

We are also excited that God has continuously provided us with the tools that we need to ensure a loving environment for your children. Through God's graces we are able to offer several levels of children's ministries.

INFANTS

We provide a fully staffed nursery for our little ones up to the the age of one. This is located in room 101 and is available for all three services (8:00, 9:20, and 11:00) The children receive lots of cuddling and love.

TODDLERS

We also have a toddler nursery that is available for one and two year olds. This class is located in room 101 and is available for all three services. The children receive lots of love and nurturing.

PRESCHOOL

Our preschool class is offered to children ages three to five. They are located in room 101. This class offers an age appropriate curriculum in a loving environment and is available for the 9:20 am service. Childcare is offered for this age group during the 11 am services.

ELEMENTARY

Our elementary class is for children in grades 1-5. This is a place where children learn to worship in an age-appropriate environment. This class meets in room 302 during the 9:20 am services.

Preschool

Our preschool program is an interactive multimedia-based class for children ages 3-5. Conversation stations are set up within the classroom during check-in and check-out time. The purpose is to give children a fun and inviting environment in which to play, learn and be introduced to concepts from the lesson.

Since children have many different learning styles and interests, a wide variety of options are desired. These include blocks, puzzles, play-dough, books, construction play and other like and varied activities.

Elementary

In our elementary program, creativity and imagination are precious resources. We strive to teach God's truth in ways that impact a child's choices and actions. Their church experience will then become relevant to their daily lives.
